You will find that the truths that are revealed in this book are not just a theory or a teaching, but are lessons learned from real-life hindrances that Os has discovered and overcome, and in some cases, still overcoming in his own life. BOOK: The 9 to 5 Window - By Os Hillman

What happens when Christian believers take the Word of God literally and begin to apply it where they spend sixty to seventy percent of their waking hours? What happens when they use their spiritual authority in their work lives, reflecting their spiritual value system in their area of influence? What happens is that lives, workplaces, cities and nations begin to be transformed by the power of Jesus Christ. His prayer in Matthew, which says "Thy kingdom come, Thy will be done on earth as it is in heaven," becomes a reality in the here and now.
